Get hooked up.

It's all about you.

You're young. You're healthy. But hey, life is unpredictable. All it takes is one slip, one fall, one biff, and the financial pain can outweigh the physical. Whether you're laid out on the snow, sand or grass, you're going to wish you were covered.

We offer straight-up affordable health insurance plans to cover your A-Z.

We can help protect you from just about anything—even yourself.

Tonik. The big picture.

Immediate coverage (no deductible) for the benefits you're most likely to use:

Plan benefits for calendar year in network	Thrill Seeker aka 5000
Office Visits	\$20 per visit, 4 visits/year (additional visits covered in full after you meet your annual deductible)
Prescription Drugs (generic only)	\$15 for a 30-day supply from a network retail pharmacy or \$30 for up to a 60-day supply through mail order
Nationally mandated preventive coverage	0% Coinsurance, not subject to deductible

If you need these services, just pay your deductible and we'll pay the rest:

Professional Services (X-ray, lab, anesthesia, surgeon, etc.)	\$0 after you meet your annual deductible
Overnight Hospital Stays (surgery, lab work, doctor charges, anesthesia and any other covered hospital charges)	\$0 after you meet your annual deductible
If You Don't Stay Overnight (fracture repairs, shoulder or knee arthroscopies, etc.)	\$0 after you meet your annual deductible
Emergency Room Care (includes all covered services received in ER)	\$0 after you meet your annual deductible
Deductible (how much you'll pay each year before we start paying for services, like hospitalization)	\$5,000
Out-of-pocket Maximum* (the amount you pay after meeting your deductible)	\$0

*Does not include office visit, prescription, dental or vision copays.

Even your teeth and eyes can get some benefits:

You'll pay \$0 for cleanings, exams and X-rays. After you pay your \$25 deductible, you'll pay 20% for minor restorative procedures like fillings. We'll pay up to \$500/year for your dental benefits. And Tonik Optional Enhanced Dental offers additional benefits.

You'll pay only \$25 for basic eyeglass lenses and receive up to \$100 toward frames or \$80 toward contact lenses every 24 months. In addition, we'll pay \$50 for an eye exam or to help out on the cost of glasses or contact lenses every 12 months. How's that for eye-catching?

This summary of benefits complies with federal and state requirements, including applicable provisions of the recently enacted federal health care reform laws. As we receive additional guidance and clarification on the new health care reform laws from the U.S. Department of Health and Human Services, Department of Labor and Internal Revenue Service, we may be required to make additional changes to this summary of benefits.

Tonik doesn't include maternity benefits. Medical copays for office visits, prescriptions, dental or vision don't apply toward the deductible or out-of-pocket maximum. This is only an overview of the Tonik plan benefits.
