GeoBlue: Global. Local. Mobile.

With the GeoBlue® mobile app, world travelers have convenient access to the best local doctors, hospitals and resources anywhere in the world.

Features

Search providers for medical, dental, or mental health care and map them using GPS technology*.

Request an appointment with a trusted GeoBlue provider.

Arrange Direct Pay for future appointments to secure cashless access to care.

Access issued guarantees of payment to view and share with doctors and hospitals.

Find a medication's availability, generic name, and local brand name.

Translate medical terms and phrases for many symptoms and situations; use the audio feature to play the translation.

Display an ID Card on a smart phone and email/fax a copy directly to provider's office.

File a claim by entering information or sending a photo of a completed form.**

View country or city profiles on crime, terrorism and natural disasters.

Get Started

Download the app and login using your username and password from geobluetravelinsurance.com or register as a new user through the app using information from your ID card.

Get Connected

Using the app does not require an Internet connection; however, faxing an ID card, using GPS for mapping*, scheduling an appointment, or downloading an audio translation, requires a connection.

* Kindle device does not support mapping options.

** Available for long-term plans only
